

# RESTORATION TIMBER

## Reclaimed Hemlock Flooring

### Unfinished Solid | Reclaimed

This Hemlock is reclaimed from old buildings and remilled into wide-plank flooring. Sold in mixed widths to replicate the look of traditional flooring or single width for a more contemporary look. This product offers the superior strength and stability of old-growth wood without the environmental cost. Reclaimed Hemlock's rustic features include knots, insect scarring, nail holes, and areas of weathered patina.
